RE: CA 5/9/13

Dear Mr. Zarp:

I have received correspondence from the IUOE directing its Local 12 to cease the impediment to job progress you allege is occurring in the above-referenced case. Local 12 is also directed to process any jurisdictional disputes through the Plan. You are indicated as having been sent a copy of the correspondence.

As a result of the action of the IUOE, an arbitration hearing pursuant to Article VI of the Plan does not appear necessary at this time. Unless I hear from you that the alleged impediment has not ceased, I will close my file on this case.

Sincerely,

Richard M. Resnick (Z)

Administrator and Counsel to the Plan
