

# ORGANIZING

- Function/Purpose
- Top Down
  1. Market to the contractors about our programs that can help them meet their bottom line.
- Bottom Up
  1. Bottom up meetings
  2. Committee meetings
  3. File for election/Demand recognition (By the Local Union)
- Political
  1. We can assist the locals with political ties within the communities
- Community
  1. Use the community for pickets and rallies and educate the community including their leaders about the hardships that NON-Union Employees experience
- Database
  1. Activity reports
  2. Contractor information
  3. Project information
  4. Worker information
  5. Ability to send pertinent information to necessary entity live from person reporting
