REGISTRATION:

Within five (5) working days after award of a Light Commercial Project within the scope of this Agreement, the Employer shall register in writing with the Southern California District Council of Laborers and the Local Union in the area in which the work will be performed, its intention to apply the terms of this Agreement to the jobsites. This registration shall be sent by facsimile, followed by certified mail, return receipt requested, and shall be deemed registered upon receipt of the notice by the Southern California District Council of Laborers and the Local Union. The Employer shall include a list of all subcontractors to be used on the project. If the Employer fails to give timely notice pursuant to this Section, the terms of this agreement shall not apply to any work performed on the jobsite.

Registered Project Agreements cover light commercial work on private construction jobsites where the total permit value of the general contract is 25 million dollars or less at time of bid or when contract is let.

Light Commercial work is further defined as all work on Projects involving the construction of precast concrete tiltup structures and/or Projects involving the construction of one-story structures such as shopping centers, stores, fast food establishments, office buildings and/or similar structures. This agreement shall also cover any grading and/or paving work, utility work and any work on curbs and gutters that are within the perimeter of the property line of such described Projects.

REGISTRATION IS NOT COMPLETE WITH ATTACHING A LIST OF SUBCONTRACTORS.
