 Feed and trim all remaining ivy
 2,774 sq. ft. Planter Beds

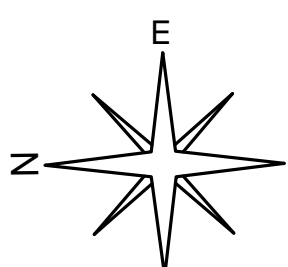

Lighting Legend

C- 4 ea. spot light - solar
 B- 12 ea. accent light - solar

Via Ondulando

All designs are conceptual in nature, they express a two dimensional overview of the ideas discussed during the appointment. Variations in plant material and hardscape work is possible due to availability or client desires. All measurements are to be verified by the client. It is the responsibility of the client to verify all local building codes and setback requirements associated with this design prior to beginning work.
