

## Jumbo Lump Crab Cakes

In search of the best crab cake? Look no further. Our Baltimore style crab cakes are hand-formed, with 70% sweet jumbo lump crab meat combined with a delicate blend of mayonnaise, secret spices and a touch of buttery crackers. Lump Crab meat is quite simply the biggest and best chunks of meat from the Blue Crab. Made from a secret family recipe. There is no comparison to those mass produced crab cakes produced with bread fillers. Flash frozen to preserve the delicately balanced flavors, each crab cake is 3 ounces.
